

Center for Addictions Training and Technical Assistance

The Center for Addictions Training and Technical Assistance (CAITTA), formerly SAATI, offers training to staff of addiction treatment agencies in all modalities. Since 1994, CAI has provided re-credentialing credits through New York State OASAS to participants who complete its training programs; participants may apply their earned credits toward their CASAC credentialing requirements. We also offer continuing education in the following areas: Nursing, Psychology, Rehabilitation Counseling, Social Work and Medicine.

Review and Preparation for the CASAC Examination

DATES: Friday & Saturday, November 18-19, 2011

TIME: 9:00am to 4:30pm

LOCATION: CAI

This training is designed for CASAC candidates who are already registered for the next scheduled examination. Participants have found that the training is helpful whether they are taking the examination for the first time or repeating the examination to try to improve their scores.

This training will review the twelve core functions and their global criteria, what to expect at the testing site, terms and concepts, counseling approaches, clinical language, test-taking strategies, and common errors on the test. Participants will do exercises to highlight special topics and practice and analyze test-like questions in a simulated test situation.

Instructor - Karen B. Morton, MA, CASAC

CICATELLI ASSOCIATES INC.

CAI, a non-profit, tax-exempt 501(c)(3) organization, provides management consulting, training, and technical assistance to health and human service providers who work with low income and underserved communities. CAI specifically targets human service and health care concerns that disproportionately affect groups in our society with limited access to needed resources. Since 1979, CAI has provided training in a broad range of topics to more than 100,000 health and human service providers. Additionally, more than 3,000 human service agencies, community-based organizations, hospitals, community health centers, clinics, family planning organizations, substance abuse agencies, educational institutions and early childhood programs have used CAI's training and technical assistance to improve their delivery of services and increase the effectiveness of their care.

Cicatelli Associates Inc. is an approved provider of continuing nursing education by the New York State Nurses Association, which is accredited as an approver of continuing nursing education by the American Nurses Credential Center's Commission on Accreditation.

Cicatelli Associates Inc. is approved by the American Psychologist Association to sponsor continuing education for psychologists.

Cicatelli Associates Inc. maintains responsibility for this program and its content.
