

REGION II TITLE X PROVIDERS ONLY

Additional On-Site Training and Technical Assistance Available from the Region II Family Planning Training Center FREE of Charge

POST WEBINAR “FAST TRACK” Implementation Workshops

Post completion of the Webinar Title X participants will be offered an opportunity to participate in locally-based “FAST TRACK” **Implementation Workshops upon request**. Half-day to full-day workshops will bring together teams and individuals from similar clinical sites that will be provided with in-depth training and technical assistance on implementing “FAST TRACK” services in the clinical setting.

To find out more about this opportunity please contact Dawn Middleton, Director of Title X Technical Assistance, at Cicatelli Associates Inc. at dmiddleton@cicatelli.org or 212-594-7741 ext. 243.
