

Region II Infertility Prevention Project Executive Committee Meeting

Friday, December 12, 2008

Cicatelli Associates Inc. 505 Eighth Avenue, [2nd Floor] New York, New York 10018

Meeting Purpose: Provide ongoing support to Region II IPP members in the administration and evaluation of IPP projects in the field in order to support achievement of National IPP priorities.

Meeting Objectives:

1. Review, revise and articulate next steps related to project area plans (as outlined in Project Area 2009 CSPS funding applications) to conduct enhanced and targeted GC and CT Screening within a defined geographic area with high GC morbidity in order to reduce health disparities.
2. Review and consider Chlamydia and Gonorrhea Academic Detailing concept and materials
3. Develop approach to assessment of CT testing practices during PTO (pregnancy testing only visits in family planning clinics)
4. Develop approach to assessment of CT and GC morbidity and current STD service delivery structures within project area AI/AN populations.
5. Plan Spring/Summer 2009 Region II IPP Meeting
